- Quick User Manual x1pc

Thanks for purchasing this fantastic Qi Wireless charger. Please read the manual in detail for proper operation before you get to start to use.

Product Introduction

- Micro USB B Charging Port
- 2 LED indicator
- 3 Antiskid strip

Specification

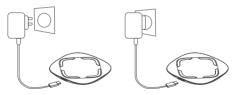

Features:

- ·Main functions: single coil wireless charger transmitter;
- Products applicable: all wireless charging equipment accorded with Qi standard;
- ·Charging type: one-on-one charge corresponding area;
- Fast charging model only work with QC quick charger.
- Standard version: WPC 1.2.3;
- The input voltage: DC 5V, 2A or QC2.0 / QC3.0;
- •Output power: 5 V, 1A or 9V, 1.1A (10W max.)
- •Wireless charging distance: 3mm to 8 mm;
- Conversion efficiency: ≥ 70%;
- · Charging methods: induction model;
- •Working frequency: 100-200 KHZ;
- •Dimension: 86*86*12.5mm;
- Product color: black

How to Use

1. Plug Your Qi Wireless Charger to the Power Source

Plug the small end (micro USB B port) of the USB cord into the side of the Qi charger. You can then plug the larger end (USB A port) of the USB cord into the wall charger, and then plug the charger into the wall, or you can plug the larger end into a PC

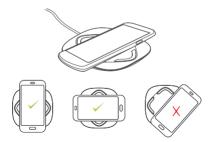

USB Female

Induction Zone

2. Place Your Cellphone on the Qi Charger

After you have connected the charger to a power source (either your computer or a wall outlet), all you need to do to charge your phone is simply place your phone on top of the charger.

Before you try to charge your phone with the charger, ensure that your phone is compatible with Qi chargers and make sure that the phone is well located at the charging area of wireless charger.

- 3. Charging Status Indicator
- The indicator green light is on for 4s, then enters the standby status, the green light goes out.
- Please lay the device directly on wireless charger for charging, the green light always stays on when the charger is in charging status
- The transmitter has the function of detecting foreign objects(FOD). If there is a foreign object on the transmitter, the green light will flash.
