

Multi-device Bluetooth keyboard with numpad

DESCRIPTION

Created to complement your modern desk set-up, the keyboard adds a full-AZERTY keyboard over wireless Bluetooth connection.

Designed for Mac systems, as well as Android and Windows, the Wireless Keyboard includes convenient function hotkeys and a full numeric keypad.

With freedom to work interchangeably between your smartphone, tablet, computer and laptop, use the assigned Bluetooth pairing keys to connect up to 4 devices. Simply, press and hold each Bluetooth pairing key to assign each Bluetooth device.

Stylish Apple-Style design, with strong structure, perfect combination with your iMac and MacBook. Also compatible with any other laptop or computer using a Bluetooth connection.
