MAGNETIC PRIVACY FILTER

Protect your information in the public environment

DESCRIPTION

The Privacy tempered filter protects and keeps your personal information safe from prying eyes while you are using your MacBook.

Offers a 120 degree of protection in landscape mode, protecting your personal data displayed on the screen.

The Private Screen protector is designed specifically to be easily removed and repositioned as many times as you need, thanks to its easy add-on magnet system.

It protects your screen from scratches, dirt, splashes and reduces glare and reflections.

Designed specifically for your MacBook.
